Capability Statement

Environmentally Friendly Facilities Maintenance & Janitorial Services

OUR MISSION

To deliver professional environmental and sustainable maintenance and janitorial services that exceed our customer expectations by listening closely to their needs, take pro-active approach in defining their requirements and build the best partnering relationship possible.

Over the years **AMR** has distinguished itself through a diversified combination of industry expertise and knowledge. Our staff's ability to effectively exceed our customer's expectations and needs has created a winning combination of outstanding and valuable facility management services.

AMR's has offered and fulfilled facilities maintenance services for 14 years providing totally integrated solutions in the services industry, including Project Works (Renovation/Refurbishment; Project Management), Remedial & Rectification (Remedial Works, Painting/Tiling), Post-construction Final Cleaning, Maintenance, Contracted Cleaning and Facilities Management. We take great pride in maintaining and protecting our client's property assets – customer service and value creation are fundamental to our success.

PAST/CURRENT PERFORMANCE

AMR is currently providing complete and professional green janitorial services to approximately 1.5 million square feet of cleanable space, facilities maintenance and repair, as well as final construction clean up.
